Honorable Caspar Weinberger
Director, Office of Management
and Budget
Washington, D. C. 20503

My dear Mr. Weinberger:

I have the request of the Office of Management and Budget for this Agency's views and recommendations on enrolled bill S. 3645, an Act "To further amend the United States Information and Educational Exchange Act of 1948."

This Act authorizes \$38,520,000 for Fiscal Year 1973 to be appropriated to the Secretary of State to provide grants under such terms and conditions as the Secretary considers appropriate to Radio Free Europe and Radio Liberty. It also provides that no other funds appropriated after the date of the Act may be made available to or for the use of Radio Free Europe and Radio Liberty in Fiscal Year 1973. Since the Department of State has full authority and responsibility for the conduct of activities in support of Radio Free Europe and Radio Liberty, we defer to any special views the Department may have on this legislation.

I recommend that S. 3645 be approved by the President.

Sincerely,
Richard Helms

[] tells me he cleared the attached with the CA Staff. Please review and return to Ex Dir as soon as you can since, according to the book, we only have 24 more hours to react to this.

OK. Assume language has no impact on remaining liquidation funds. Could delete last sentence, since we really have no vote.
